Fog Causes I wo Accidents

injuries.

According to the report filed slowing down. by Officer Paul Brown, Utah Highway Patrol, the accidents occurred at approximately 5:49 p.m. shortly after the sun had. set.

The first accident happened when Richard Watson of Mid-

MIDWAY-Two accidents way, driving a 1972 Ford, slowed occurred just minutes apart on down in dense fog near the river Midway Lane Thursday, Jan. 31, bridge, and was struck by a 1985 which sent four youth to the second car, a 1983 Oldsmobile hospital for treatment of minor driven by Adalee B. Muse of Midway, when Muse apparently didn't see the Watson car

> The third vehicle, came into the fog, the driver, Clay J. Gustin, saw the two vehicles which had pulled to the side of the road, and assumed they were on the road, and over corrected,

which caused the 1976 Ford Bronco to roll, onto the ton.

Injured in the accident were Tony Erickson, Russell Mc-Lachlin of Heber City, and Layne G. Mathin of Midway. The Wasatch Ambulance volunteers took the driver and 3 passengers of the Bronco, to the hospital where they were treated and released with minor injuries.

There were no other injuries in the other accident. Estimated damage to the vehicles, is over \$2400.00.
